SECTION 2. 20.235 (1) (fp) of the statutes is created to read:

20.235 (1) (fp) *Primary care and psychiatry shortage grant program.* As a continuing appropriation, the amounts in the schedule for the primary care and psychiatry shortage grant program under s. 39.385.

SECTION 3. 39.385 of the statutes is created to read:

39.385 Primary care and psychiatry shortage grant program. (1)

DEFINITIONS. In this section:

(a) “Graduate medical education training program” means any of the following:

1. A program of education in a medical specialty following the completion of medical school that prepares a physician for the independent practice of medicine in that specialty.

2. A program of education in a medical subspecialty following the completion of education in a medical specialty that prepares a physician for the independent practice of medicine in that subspecialty.

(b) “Grant program” means the primary care and psychiatry shortage grant program under this section.

(c) “Health professional shortage area” has the meaning given in s. 36.60 (1) (aj).

(d) “Health service shortage area” means an area designated by the governor and certified by the federal secretary of health and human services under 42 USC 1395x as an area with a shortage of personal health services.

(e) “Medically underserved area” has the meaning given in 42 CFR Part 51c, section 102 (e).

(f) “Primary care medicine” means any of the following medical specialties:

1. Family practice.

ASSEMBLY BILL 454

1 2. Internal medicine.

2 3. Pediatrics.

3 4. General surgery.

4 (g) “Psychiatry” includes child psychiatry.

5 (h) “Underserved area” means a health professional shortage area, a health
6 service shortage area, or a medically underserved area.

7 **(2) ESTABLISHMENT OF PROGRAM.** There is established, to be administered by the
8 board, a primary care and psychiatry shortage grant program to encourage primary
9 care physicians and psychiatrists who meet the eligibility requirements specified in
10 sub. (3) to practice primary care medicine and psychiatry in underserved areas in
11 this state by providing grants of financial assistance to those physicians and
12 psychiatrists as provided in sub. (4).

13 **(3) ELIGIBILITY.** A physician or psychiatrist is eligible for financial assistance
14 as provided under sub. (4) if the physician or psychiatrist meets all of the following
15 requirements:

16 (a) He or she practices primary care medicine or psychiatry in an underserved
17 area in this state.

18 (b) He or she graduated from a graduate medical education training program
19 in this state with an emphasis on primary care medicine or psychiatry.

20 (c) He or she does not appear on the statewide support lien docket under s.
21 49.854 (2) (b), unless the physician provides to the board a payment agreement that
22 has been approved by the county child support agency under s. 59.53 (5) and that is
23 consistent with rules promulgated under s. 49.858 (2) (a).

24 **(4) FINANCIAL ASSISTANCE.** (a) 1. From the appropriation account under s.
25 20.235 (1) (fp), the board shall grant financial assistance to physicians and

ASSEMBLY BILL 454**SECTION 3**

1 psychiatrists who meet the eligibility requirements specified in sub. (3), who apply
2 for participation in the grant program as provided in par. (b), and who submit claims
3 for that financial assistance as provided in par. (c). From s. 20.235 (1) (fp), the board
4 shall allocate not more than \$750,000 for financial assistance under the grant
5 program to physicians and not more than \$750,000 for financial assistance under the
6 grant program to psychiatrists.

7 2. The board may grant financial assistance under the grant program to no
8 more than 12 physicians and no more than 12 psychiatrists in a fiscal year. If more
9 than 12 physicians or more than 12 psychiatrists apply for participation in the grant
10 program in a fiscal year, the board shall consider the order in which those
11 applications are received and the health professional shortage area score, as
12 determined by the health resources and services administration of the federal
13 department of health and human services, of the underserved area in which the
14 applicant is practicing primary care medicine or psychiatry in selecting participants
15 in the grant program.

16 3. An individual physician or psychiatrist may receive financial assistance
17 under the grant program in no more than 3 fiscal years.

18 (b) A physician or psychiatrist may apply for participation in the grant program
19 by submitting an application to the board in a form prescribed by the board. A
20 physician or psychiatrist may submit that application while the physician or
21 psychiatrist is participating in a graduate medical education training program
22 described in sub. (3) (b), but must submit that application before accepting
23 employment or any other affiliation as a primary care physician or psychiatrist in
24 an underserved area in this state. The application shall include such information
25 as the board may require to establish that the physician or psychiatrist meets the

ASSEMBLY BILL 454

1 eligibility requirements specified in sub. (3) for participation in the grant program
2 and any other information the board may require by rule promulgated under sub. (5).

3 (c) After each year in which a physician or psychiatrist who has been accepted
4 for participation in the grant program practices primary care medicine or psychiatry
5 in an underserved area in this state, the physician or psychiatrist may submit to the
6 board a claim for financial assistance. The claim shall include the signature of the
7 physician or psychiatrist and of a representative of the practice in which the
8 physician or psychiatrist is employed or otherwise affiliated certifying that during
9 the period for which financial assistance is claimed the physician or psychiatrist
10 practiced primary care medicine or psychiatry in an underserved area in this state
11 and such other information as the board may require by rule promulgated under sub.
12 (5) to verify the physician's or psychiatrist's eligibility for financial assistance.

13 (d) If the board determines that a physician or psychiatrist who submits a claim
14 for financial assistance under par. (c) is eligible to receive that assistance, the board
15 shall provide that assistance, subject to the amounts available in the appropriation
16 account under s. 20.235 (1) (fp).

17 **(5) RULES.** The board shall promulgate rules to implement and administer this
18 section. Those rules shall include rules specifying the information a physician or
19 psychiatrist must include in an application for participation in the grant program
20 under sub. (4) (b) and in a claim for financial assistance under sub (4) (c).

21 **SECTION 4.** 71.05 (6) (b) 51. of the statutes is created to read:

22 71.05 **(6)** (b) 51. For taxable years beginning after December 31, 2013, any
23 amount received by a physician or psychiatrist, in the taxable year to which the
24 subtraction relates, from the primary care and psychiatry shortage grant program
25 under s. 39.385.

ASSEMBLY BILL 454**SECTION 5****SECTION 5. Nonstatutory provisions.**

(1) PRIMARY CARE AND PSYCHIATRY SHORTAGE GRANT PROGRAM. Notwithstanding section 16.42 (1) (e) of the statutes, in submitting information under section 16.42 of the statutes for purposes of the 2015–17 biennial budget bill, the higher educational aids board shall submit information concerning the appropriation under section 20.235 (1) (fp) of the statutes, as created by this act, as though that appropriation had not been made.

SECTION 6. Initial applicability.

(1) PRIMARY CARE AND PSYCHIATRY SHORTAGE GRANT PROGRAM. This act first applies to a physician or psychiatrist who graduates from a graduate medical education training program in this state with an emphasis on primary care medicine or psychiatry in 2014.
